

Statement of Participation

iversity hereby certifies that **Michal Kociumbas** has participated in the following course:

Power Up: English for the Energy Transition

Taught from April 2016 to December 2016 by Julia Thompson-Kleser.

With this English language course (B1 CEFR-level) students acquire the solid basic vocabulary for communicating about topics concerning the energy transition. It allows them to follow and participate actively in discussions on these topics in private as well as in professional contexts.

About KIC InnoEnergy

KIC InnoEnergy is the European company for innovation, business creation and education in sustainable energy. KIC InnoEnergy is an alliance of top European players consisting of 27 shareholders and 100+ partners from industry, research and academia. KIC InnoEnergy is supported by the EIT a body of the European Union.

iversity.org is a higher education online platform, enabling a global community of learners to study with excellent professors from all over the world. This certificate does not affirm that the student was enrolled at the mentioned institution(s) or confer any form of degree, grade or credit. The course did not verify the identity of the student.
