

Statement of Participation

iversity hereby certifies that **Ashish Raj Joshi** has participated in the following course:

Power Up: English for the Energy Transition

Taught from September 2015 to November 2015 by Julia Thompson-Kleser.

With this English language course (B1 CEFR-level) students acquire the solid basic vocabulary for communicating about topics concerning the energy transition. It allows to both understand and be able to use this vocabulary in context.

About Karlsruhe Institute of Technology (KIT) and KIC InnoEnergy

The KIT combines the tasks of a university of the state of Baden-Württemberg with those of a research center of the Helmholtz Association in the areas of research, teaching, and innovation. KIC InnoEnergy is the European company for innovation, business creation and education in sustainable energy.

iversity.org is a higher education online platform, enabling a global community of learners to study with excellent professors from all over the world. This certificate does not affirm that the student was enrolled at the mentioned institution(s) or confer any form of degree, grade or credit. The course did not verify the identity of the student.
