

Statement of Participation

iversity hereby certifies that **Shannon Baulch** has participated in the following course:

Climate Change & Health for Policy-Makers

Taught from October 2015 to November 2015 by Prof. Rainer Sauerborn.

Senior IPCC authors offered this MOOC. Participants thoroughly understand the central role of health in climate: policy motivating people and generating as huge co-benefits, but also generating Health limits for adaptations and work capacity.

About Centre Virchow-Villermé of Public Health Paris-Berlin

The Centre Virchow-Villermé of Public Health Paris-Berlin is a joint initiative of Université Sorbonne Paris Cité and La Charité Universitätsmedizin Berlin. Its mission is to jointly develop and promote innovative education and to offer a bi-national platform for linking research with policy in Global Public Health.
