About Universidad a Distancia de Madrid

The Madrid Open University is an educational entity right “at your fingertips” that has for motto “teaching how to learn”. MOU’s methodology is based on a distance teaching system within the framework of the European Higher Education Area and the use of information technologies for knowledge transmission.

iversity.org is a higher education online platform, enabling a global community of learners to study with excellent professors from all over the world. This certificate does not affirm that the student was enrolled at the mentioned institution(s) or confer any form of degree, grade or credit. The course did not verify the identity of the student.
