

CERTIFICATE OF PARTICIPATION

iversity hereby certifies that **Cristian García Magaña** has participated in the following course from December 2020 to December 2020:

Risk Management in Projects

Taught by Uwe Gühl and Daud Alam.

The course taught how risk management can be used in projects.

A template was presented and explained with which risks can be recorded and managed in a project.

The following contents were conveyed to the participants:

- How the topic of risk management fits into projects.
- How risks can be identified and analyzed.
- How to deal with risks professionally.
- How a template can be used to collect and regularly review risks.

iversity.org is a higher education online platform, enabling a global community of learners to study with excellent professors from all over the world. This certificate does not affirm that the student was enrolled at the mentioned institution(s) or confer any form of degree, grade or credit. The course did not verify the identity of the student.
