

CERTIFICATE OF PARTICIPATION

iversity hereby certifies that **Francisca Diana Artene** has participated in the following course from January 2021 to January 2021:

The Science of Colors: from Product to Experience Design

Taught by Prof. Diana Derval.

Through interactive experiments, scientific findings, and business applications, the course provided tools to:

- Understand color perception
- Predict color preferences
- Design targeted customer experiences
- Define appealing brand codes
- Design eye-pleasing products
- Adapt product designs and experiences locally

About DervalResearch

DervalResearch is a pioneer research firm using biosciences to decode human behavior and preferences. With powerful predictive tools like the Derval Color Test and the Hormonal Quotient (HQ), our colorful team of scientists and designers helps firms increase their innovation rate and deliver engaging experiences.

iversity.org is a higher education online platform, enabling a global community of learners to study with excellent professors from all over the world. This certificate does not affirm that the student was enrolled at the mentioned institution(s) or confer any form of degree, grade or credit. The course did not verify the identity of the student.
