

CERTIFICATE OF PARTICIPATION

iversity hereby certifies that **Valentina Stampa** has participated in the following course from February 2021 to February 2021:

How to understand the climate system

Taught by Prof. Dr. Mojib Latif, Prof. Dr. Jochem Marotzke, and Prof. Dr. Sonja Peterson.

This course explains the scientific basis of climate change, the impacts on nature and society, and identifies potential solutions.

In this module you have:

- learned more about the core principles of the climate system and the increasing human impact on the climate system,
- understood the scientific method of working and arguing,
- become aware of the causes and consequences of anthropogenic climate change.

About World Wide Fund For Nature (WWF) Germany, Deutsches Klima-Konsortium (DKK)

WWF is one of the world's largest and most experienced independent conservation organizations, with over 5 million supporters and a global network active in more than 100 countries. The Deutsches Klima-Konsortium (DKK) represents the leading players of German climate and climate impact research.

iversity.org is a higher education online platform, enabling a global community of learners to study with excellent professors from all over the world. This certificate does not affirm that the student was enrolled at the mentioned institution(s) or confer any form of degree, grade or credit. The course did not verify the identity of the student.
