

CERTIFICATE OF ACCOMPLISHMENT

iversity hereby attests that according to the criteria set by the course instructor,

Marijn Schoo

has successfully completed the following course:

Prototyping Interaction

The course in Prototyping Interaction allows students to thoroughly understand the concept and application areas of prototyping and get to know and apply methods to develop, test and incorporate prototyping interaction in their design process.

Timeframe: April 2015 to June 2015
by Frank Kloos

Grade: A

FRANK KLOOS

About Amsterdam University of Applied Sciences

Communication and Multimedia Design Amsterdam puts design at the core of its program. It sets out to help students learn how to think and act like designers, and aims to give its interactive media design graduates the best possible preparation for today's – and tomorrow's – professional practice. CMD is part of AUAS.

About iversity

iversity.org is a platform for online courses where instructors and universities from all over the world offer interactive academic courses. iversity ensures a high level of quality across its offerings in its effort to broaden the access to higher education online.

Please note:
This certificate does not affirm that the student was enrolled at the mentioned institution(s) or confer any form of degree or credit.
