

# Statement of Participation

iversity hereby certifies that **Marta Grochowska** has participated in the following course:

## Prototyping Interaction

Taught from April 2015 to June 2015 by Maaïke van Cruchten, Frank Kloos, and Micky van Zeijl.

The course in Prototyping Interaction allows students to thoroughly understand the concept and application areas of prototyping and get to know and apply methods to develop, test and incorporate prototyping interaction in their design process.

### About Amsterdam University of Applied Sciences

Communication and Multimedia Design Amsterdam puts design at the core of its program. It sets out to help students learn how to think and act like designers, and aims to give its interactive media design graduates the best possible preparation for today's – and tomorrow's – professional practice. CMD is part of AUAS.

iversity.org is a higher education online platform, enabling a global community of learners to study with excellent professors from all over the world. This certificate does not affirm that the student was enrolled at the mentioned institution(s) or confer any form of degree, grade or credit. The course did not verify the identity of the student.
