

CERTIFICATE OF PARTICIPATION

iversity hereby certifies that **Brian Anthony Gumiran** has participated in the following course from September 2021 to October 2021:

Regulating Global Supply Chains to Empower Workers

This certificate is awarded to recognise the completion of this course as well as the engagement of the above mentioned course participant in the online discussions about the various topics of the course.

"Regulating global supply chains to empower workers" is a multi-disciplinary online course discussing policy proposals on critical areas for regulating global supply chains, namely trade, industrial policy, taxation, mandatory due diligence, purchasing contracts and worker driven social responsibility.

Through a combination of lectures, reading materials and zoom discussions with top experts from the labour sector and academia, the course deepens the participants' knowledge on the key arguments behind these policy proposals.

About the GLU

The Global Labour University (GLU) is a network of trade unions, universities, labour-support foundations and the International Labour Organisation delivering high-quality masters programmes, which strengthen labour's capacities to advocate for social justice and decent work.
