

Statement of Participation

iversity hereby certifies that **engineer Aline Montinari** has participated in the following course offered by Open Online Academy, New York:

Designing Resilient Schools

Taught from January 2014 to March 2014 by Prof. Ivan R. Shumkov PhD and Illac Angelo Diaz.

How can architecture help people in times of urgent need caused by natural disasters? In this course, we will design resilient schools that could serve as community centers and shelters for the victims of the devastating typhoon Haiyan in the Philippines.

About Open Online Academy, New York

Open Online Academy (OOAc.org) is a New York-based organisation for online education in architecture, design, and the related fields. It offers free course to anyone anywhere in the world, providing open access to advanced knowledge and skills.

iversity.org is a higher education online platform, enabling a global community of learners to study with excellent professors from all over the world. This certificate does not affirm that the student was enrolled at the mentioned institution(s) or confer any form of degree, grade or credit. The course did not verify the identity of the student.
