

# Statement of Participation

iversity hereby certifies that **Andriy Ivashchenko** has participated in the following course offered by Technische Hochschule Mittelhessen:

## Web Engineering II: Developing Mobile HTML5 Apps

Taught from January 2014 to May 2014 by Prof. Dr. Klaus Quibeldey-Cirkel, Christoph Thelen, Andreas Gärtner, Paul-Christian Volkmer, and Daniel Gerhardt.

In this second part of the MOOC trilogy Web Engineering the participants learned the concepts, methods, techniques, frameworks, and tools needed for systematically developing HTML5 applications that request data from public RESTful APIs.

### About Technische Hochschule Mittelhessen

THM is a German State University of Applied Sciences. THM is renowned for its practice-oriented degree programs in the economic and technical sciences.

iversity.org is a higher education online platform, enabling a global community of learners to study with excellent professors from all over the world. This certificate does not affirm that the student was enrolled at the mentioned institution(s) or confer any form of degree, grade or credit. The course did not verify the identity of the student.
