

Statement of Participation

iversity hereby certifies that **João Roxo** has participated in the following course from January 2018 to January 2018:

HIV: Pre-exposure Prophylaxis - PrEP

Taught by Jean-Michel Molina, Jens Lundgren , Fiona Mulcahy, Prof Jean-Michel Molina, Dr laurent COTTE, Dr Ann Sullivan, Prof Jeffrey Lazarus, Prof Gilles Pialoux, and Dr Bea Vuylsteke.

The participant has completed the EACS online course HIV: Pre-Exposure Prophylaxis led by Prof. Jean-Michel Molina University of Paris Diderot, Saint-Louis Hospital.

The HIV: Pre-Exposure Prophylaxis course provides an in-depth understanding of the basic principles of PrEP, the scientific studies supporting the use of oral PrEP, clinical considerations in relation to treatment with PrEP and how PrEP can be implemented.

The participant has gained knowledge in:

- The principles of PrEP and studies supporting the use of oral PrEP
- Clinical aspects related to PrEP: prescription, monitoring, adherence and how to manage seroconversion
- Key populations for PrEP and inclusion of PrEP in a wider prevention package.
- Advocacy for implementation of PrEP in national programmes
