Programme of the European Union

We hereby certify that

Mr Matheus Barros

completed the online course

Applying Safe Behaviours: Preventing and responding to peer violence

Taught by Chrissie Gale

on 27 June 2025.

The course was developed by SOS Children's Villages.

The participant has gained information regarding:

- what peer on peer violence is
- where peer on peer violence happens
- what makes children and young people vulnerable to peer on peer violence
- the importance of understanding children and young people's behaviour when they have been affected by violence and how they want adults to support them
- what children and young people think would help prevent and protect them from peer on peer violence.
