About The Global Labour University
The GLU is a network of trade unions, universities, labour-support foundations and the International Labour Organisation delivering high-quality masters programmes, which strengthen labour's capacities to advocate for social justice and decent work.

About iversity
iversity.org is a platform for online courses where instructors and universities from all over the world offer interactive academic courses. iversity ensures a high level of quality across its offerings in its effort to broaden the access to higher education online.

Please note:
This certificate does not affirm that the student was enrolled at the mentioned institution(s) or confer any form of degree or credit.
